## From The President's Desk By Dan Hoyt

Welcome to Spring, fellow Airstreamers!!! It has been a good winter here in SW FL. Some cool weather has been around this area, but after hearing from family and friends at home, it has been much better than the Midwest winter conditions.

Through email, it sounds like other club members have had a good winter as well. Some of us, such as Larry and Marcia, and Dale Ann and I, have purchased park models in the parks where we spend our winters.

I am looking forward to the Rally schedule for this season. We are planning two interesting outings in our home state plus the Installation Rally in Hastings, NE. The Olsons and Sisks are working hard at planning the Fix-It rally. It will be in Dale Ann's and my hometown. There are many interesting things in and around Missouri Valley, IA. One gets into a rut and forgets or overlooks the really great things to see and do in one's home area. From museums to local businesses and agriculture, the committee has selected several great things for this rally as you will see.

Attached to this newsletter you will find the coupon and schedule for the upcoming rally. Please look it over and send it in as soon as possible so that the committee can finalize the numbers and make the last minute arrangements.

After this rally, we will caravan to Region 8 in Kansas. Our club has been selected to do a presentation on The Oregon Trail. Those going on with us will have the opportunity to help

with and participate in our presentation. It will be fun to see what our members do for this challenge!

We are planning the migration home in a couple of weeks. It will be great to be back and see the club members at the luncheons, as well as the camping trips or caravans. It sounds like we may have some new members to get to know and welcome to the club, due to the hard work of Bob Heist!!! I look forward to meeting these new people, hopefully at the Fix-It Rally. See you all soon!

Dan Hoyt, 2015 Nebraska Unit President

**Region 8 Mini-Rally**

Bob and Fran Olson and the Suttons attended the March Region 8 Mini-Rally at Paradise Park in Punta Gorda, Florida. WBCCI members from Iowa and Missouri also came. Linda and Gary Rush organized the rally, with plenty of good food, especially the pulled pork dinner. Participants took tours of the Peace River Wildlife Sanctuary and the W. P. Franklin Lock and Dam near Fort Myers. We were fortunate to observe replicas of the Nina and Pinta coming through the locks as they motored from the Gulf to the Atlantic side.
